Event Summary:

On September 29, 2022, Mrs.KMPM Vocational College organized a one-day Seminar on Covid -19 and its impact on the education system.The Seminar was Intended to discuss the impact and discussion on the very important topic.

The Seminar aimed to equip students with valuable knowledge, made it an incredibly beneficial experience for them.

The Chief Guest of the seminar stated that the COVID-19 pandemic has posed major challenges to the education system.

He has Further Stated that;

The COVID-19 pandemic has significantly impacted the education system worldwide. The immediate effects of the pandemic included the closure of

educational institutions, disrupting the academic calendar. This led to a shift towards online learning, which posed challenges for students without access to digital devices or internet connectivity.

The pandemic also resulted in examination delays and cancellations, affecting students' academic progress and future prospects. In the short term, students may have experienced learning loss due to the disruption in their academic routine. Additionally, increased dropout rates were observed, particularly among students who struggled with online learning or faced other pandemic-related challenges.

Winner of The Seminar @ Jam Foundation:

One of the students of Netaji Subhash Institute of Law Named **Anjali Sharma** has won a certificate and trophy for participating in a seminar organized by Mrs. KMPM Vocational College, a unit of Jam Foundation.
