

## **Report on Dance and Drama Activity Organized by the Dance and Drama Club**

For Academic Year: 2023-24

Date: 23/11/24

Venue: NSU Auditorium, Basketball Ground

Organized by: Dance and Drama Club

### **Introduction**

The Dance and Drama Club of Netaji Subhas University organized a vibrant dance and drama activity on 23/11/24, highlighting the student community's talent and fostering collaboration. The event highlighted the importance of integrating arts into education and inspiring creativity.

### **Objectives of the Event:**

- The program aims to foster cultural and artistic expression among students,
- Showcase their dance and drama skills,
- Encourage teamwork,
- Entertain the university community.

### **Event Highlights**

The event commenced with a welcome speech by the club president, highlighting the significance of dance and drama in student life. This was followed by an array of captivating performances:

- Dance performances include classical folklore, hip-hop, contemporary, and unity-focused performances.
- Drama performances include thought-provoking plays, humorous skits, and mime acts, addressing social issues and delivering emotional messages without words.

### **Dance Performance:**

### Drama Performance:

### **Student Engagement and Feedback**

The audience was enthusiastic and appreciative of the students' performances, inspiring them to explore their artistic talents. The event highlighted the importance of arts in holistic development and emotional well-being, emphasizing the need for continued support for cultural activities within the university.

### **Conclusion**

The dance and drama activity met its goal of promoting artistic expression and entertainment. It allowed students to show their talents, built a sense of community, and emphasized the role of cultural activities in academic life. The strong participation and positive feedback showed the value of the arts in developing well-rounded individuals. The Dance and Drama Club plans to hold more events and workshops to encourage creativity and collaboration, making cultural engagement a vital part of university life.
