Sub: Formation of "STANDARDS CLUB" in Netaji Subhas University, Jamshedpur  
Sir,

You may be aware that BIS is the National Standard Body working under Ministry of consumer affairs, food and public distribution, Government of India. Our objective is harmonious development of the activities of standardization, product testing and quality certification of goods in the country. BIS has been providing traceable and tangible benefits to the national economy in a number of ways – providing safe reliable quality goods; minimizing health hazards to consumers; promoting exports, imports substitute; control over proliferation of varieties etc. through standardization, certification and testing.

In this context it is our endeavour to create awareness among the general public, especially youth regarding standardization, and to create quality consciousness among consumers. Our product certification scheme (ISI Mark, hallmarking etc.) is widely accepted as third-party certification.

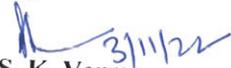

You personally must have come across various **BIS certified/ISI marked** product in your day-to-day life. For Example: Packaged drinking water, LPG gas cylinder, gas regulators, cement and various steel products marked with our **BIS** standard mark (also known as **ISI mark**). BIS also provides hallmarking of gold/silver jewellery. You may also be aware that BIS standards are also used in technical courses of Engineering, for example: -National Building Code (NBC), National Electric Code (NEC) and various other standards for testing, terminology, products and guidelines.

With the objective to promote Quality consciousness among young school/college students specially engineering students. Bureau of Indian Standards has created "STANDARDS CLUB" in various Schools and colleges. We have already created 70 Standard clubs in Jharkhand and more than 1200 clubs in the entire country. Going by the success of this promotional activity we also want to create standards club in Netaji Subhas University, Jamshedpur.

BIS will conduct various activities in Standards Club e.g., Workshops, Standard writing competition, BIS Lab visits, Factory visits, Guest lecture etc., which will inculcate quality consciousness in the young minds and also expose to different paths to build their careers.

Therefore, we request you to please facilitate creation of Standards Club in Netaji Subhas University, Jamshedpur.

With Regards,

  
S. K. Verma  
Director & Head
