In this video they have shown the after effect of Covid-19 on the Hoteliers and also of the Travel Industry. Food is our main source of living and since this virus is all over the world, they are too our 'Superheroes'.

Our volunteers helped and guided the older people and children by awaring them about covid-19 and the precautions which should be taken against it.

Whosoever entered the University was provided with sanitiser to sanitise their hands and be safe before entering, as a safety measure against covid-19.

All the work in our University is being done with social distancing...As this was the best prevention of the deadly disease known as Covid- 19.
