Hello Connections!! 🌟

Hope you all are doing well. 😊

Would like to share the experience of celebrating #AntiRagging week at our University and putting small effort from my side to create awareness and Stop Ragging by making these posters.

Most of us still ignore the concept of AntiRagging thinking that ragging doesn't exist but it has become a huge problem lately(though it was also since years). Students are getting depressed, committing suicides because of being mentally or physically ragged. Keeping it short, I would like to advise the college/senior school students to take a pledge against Ragging and never doing it to Anyone.

- 💎 Ragging is not an ice-breaker.
- 💎 Be the ideal senior.

And yes, I'm happy to share that I secured first position in the Poster Making Competition. 🌟

The Netaji Subhas University Club was founded in 2021 with the goal of bridging the gap between industry and education. The club aims to give its students the chance to exchange and grow their ideas, as well as interact with the industry to broaden their perspectives in the fields of finance, human resources, marketing, and information technology, as well as its ever changing technology.

The club was founded by a group of students and instructors with the goal of bringing together people who are passionate about technology. The club also organises numerous interaction classes inside the group and among interested students, as well as industrial tours and contacts with IT experts.

The club aims to provide a high-quality student-centred support hub that supports students in the fields of finance, human resources, marketing, and information technology to excel academically and participate in college and community activities. The finance, human resources, marketing, and information technology clubs aim to provide a forum for students to exchange and expand their knowledge, therefore improving their overall technical and cognitive abilities.

The club's goal is to increase its members' understanding of corporate social responsibility, which will help them become responsible adults who can handle society's ever-increasing issues both outside of school and at their future jobs.

The clubs of Netaji Subhas University encourage students to develop their leadership, planning, and event management abilities. Based on the specialisations that the students select during their MBA and BBA programmes, the clubs are created. The clubs are
