The Gender Audit is a measure to study about the gender balance of the institute. It attempts to know whether institute follows government rules, policies and actions formulated for up-gradation of women in society. By the Gender Audit, institute tries to access the impact of its policies on gender equality. Netaji Subhas University always concentrates on students' qualitative performance along with their overall personality development. Observing the gender equality, the girls are provided with various facilities and special attentions. The institute always motivates girls for their social responsibilities. Girls Common Rooms are provided for the girl students. Institute also conducts self-defense trainings programs. Karate, Yoga and Meditation Camps are also organized. Expert lectures and Women empowerment programs are conducted. Anti-Women Harassment Cell, Anti-ragging Committee and Internal Complaints Committee are formed in the institute. These committees continue works for women safety. Institute provided equal opportunities to boys and girls in sports and cultural activities.

The University has a separate hostel facility and separate women wardens and caretaker. The University is well equipped with the proper security personal along with lady guard and CCTV cameras are installed in the university premises and hostels.

The University organizes various programs such as seminars to keep the girls updated about their rights and security. They are encouraged to approach the women empowerment and women grievance cell for any of their inconveniences. The University has an Internal Complain Committee (ICC) for handling the cases of sexual harassment.

The self-defense course is organized by the Students Council for girl's students. Women Empowerment and welfare committee is very active in the campus and Ensures healthy environment is maintained in the campus.

A lady Medical doctor has been appointed at the medical centre. It's been ensured that every class has two representative's one girl and one boy to understand their difficulties.

University follows mentor-mentee system to counsel the students; each mentor is assigned with 10-15 students. It is being preferred that female faculties are assigned to female students.

Students are given equal opportunities to participate in various activities such as cultural programs and seminars to treat the opposite gender equality and respectfully.

Objectives: The objectives of Gender Audit are as follows:

1. To know about the gender balance in the institute.
2. To suggest measures for bridging the gender gap.
3. To know about gender perception in the Campus.
4. Surveying staff to uncover their perceptions regarding gender equality in the organization and programs.
5. Creating the road map for Gender Action.
