### **Building a Stronger Infrastructure**

A university's learning environment is shaped not just by its faculty but also by its infrastructure. Over the years, Netaji Subhas University has expanded academic blocks, ICT enabled classrooms, and upgraded laboratories, providing students with the facilities they need for hands-on learning.

A key focus has been on modernizing the library, offering a vast collection of digital resources, e-books, and research journals, ensuring that both students and faculty have easy access to the latest knowledge. Beyond academics, the university has made significant strides in enhancing student life by improving hostel facilities, recreational spaces, and campus security. A strong commitment to sustainability has led to the implementation of solar power, rainwater harvesting, and waste management systems, fostering an environmentally responsible campus.

### **Empowering Students for Success**

Students are the heart of the university, and their growth has been a key focus. With a steady increase in student enrollment, Netaji Subhas University has introduced initiatives to help students build skills, gain industry exposure, and prepare for their careers.

New industry collaborations, internships, and skill development programs have been launched to boost employability. Dedicated mentorship programs, career counseling services, and entrepreneurship cells guide students in shaping their futures. Placement Oriented Training plays an important role in the placement of students.

Recognizing that education extends beyond textbooks, the university actively encourages students to participate in cultural, sports, and extracurricular activities, ensuring a well-rounded and enriching university experience.

### **Growth in programs offered**

Started with only very less programs, Netaji Subhas University has grown with a vision and expanded its offering in specialized fields of student from Science, Technology, Management, Social Sciences, Life Science, Education, Legal Studies to Pharmacy, Smart Agriculture. All programs offered are benched marked with the global and national standards along with complying to the statutory bodies like BCI, PCI, NCTE for Law, Pharmacy and Education programs respectively.

### Improvement in Student Strength

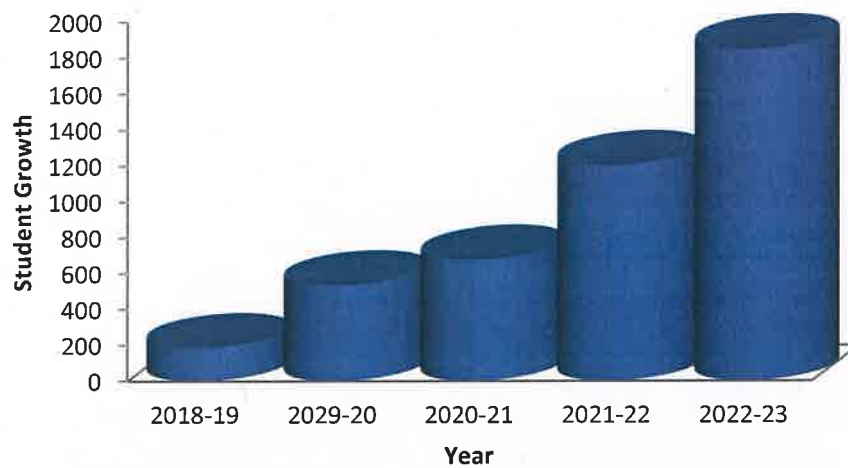

Total number of students enrolled includes the total number of students present in the campus. The data taken into account as for example in 2017 includes the new admission students as well as the students of 2015 and 2016 in their third and second year respectively. The table below gives a brief overview of the total number of students enrolled in five consecutive years. It can be seen stated that there is sharp increase in the total count of students since the inception of the University.

Year	Total no. of enrolled students (Years included)
2018-19	185
2019-20	535
2020-21	677
2021-22	1201
2022-23	1847

## Building Research Excellence

Our aim is to create an environment for students that will not just arm them with the right kind of knowledge, but also develop them as well- rounded members of society. Since its inception, University has registered remarkable growth in terms of research publications, citations, funding, and research collaborations.
