4. NOC is mandatory if a student is enrolled in a non-university provided internship. If the student fails to inform the placement cell for any reason, the internship shall be considered as invalid. The information has to be provided to the placement cell latest by 10th of May, 2025.

However, once any student is selected for any of the companies, he /she would be removed from our list and would not be allowed to apply for any further internship opportunities.

9. Although we are trying to cater to the requests of students, the placement cell does not guarantee online/ offline internship according to student wishes.
