

Department of Commerce

●●●●
REDMI 9 POWER

VISION :-

To be a center of Excellence in commerce education by integrating modern industry-orient practices, bridging the gap between traditional and contemporary approaches, and foster innovation through IT integration.

MISSION:-

1. To align commerce education with evolving industrial needs through skill based learning
2. To transform the traditional approach by incorporating practical, technology-driven methodologies.
3. To integrate IT for enhanced financial and business decision-making.
