Objective:

- Educating the public: Provide clear information about HIV (Human Immunodeficiency Virus) and AIDS (acquired immunodeficiency syndrome), including how the virus spreads and how it can be prevented.
- Dispelling myths and stigma: Address misconceptions surrounding HIV/AIDS, reduce discrimination, and encourage empathy toward those living with the condition.
- Promoting safe practices: Highlight the importance of safe sex, regular testing, and preventive measures such as condom use.
- Encouraging early detection and treatment: Stress the significance of timely medical intervention to manage HIV and prevent progression to AIDS.
- Youth engagement: Involve students in awareness activities like marches and street plays to spread the message creatively and effectively.

Outcome:

The AIDS Awareness Camp was successfully conducted with active participation from students and villagers. The program helped increase awareness about HIV/AIDS, its modes of transmission, prevention methods, and the importance of early testing and treatment. Many misconceptions and myths related to HIV/AIDS were clarified through interactive sessions.

Villagers gained better understanding of preventive measures such as safe practices, use of sterile medical equipment, and the importance of regular health check-ups. The camp also emphasized the need to avoid discrimination and stigma against people living with HIV/AIDS and encouraged a supportive and compassionate attitude. Informational materials were distributed, which helped reinforce the messages shared during the awareness sessions. The interaction between students and villagers improved community engagement and trust. Participants actively asked questions, showing increased interest and awareness.

Objective: To encourage voluntary blood donation and create awareness about the importance of safe blood donation in saving lives, while ensuring an adequate and timely supply of blood for patients in need. The camp aims to promote a culture of social responsibility, humanitarian service, and healthy living among the community.	
Outcome: • The Blood Donation Camp organized at the Blood Bank was very successful and meaningful. The main outcome of the camp was the collection of a good number of blood units, which will help save the lives of patients during emergencies, surgeries, and medical treatments. • The active participation of donors showed kindness, responsibility, and concern for society. The camp helped create awareness about the importance of donating blood. Many people learned that blood donation is safe and does not harm the donor. Several first-time donors participated with confidence and showed interest in donating blood again in the future. • Doctors and medical staff ensured that the entire process was clean, safe, and well-managed, which made donors feel comfortable. Another important outcome was the promotion of good health habits. Donors were guided about maintaining a healthy lifestyle, proper diet, and regular health check-ups. The camp also helped volunteers develop skills such as teamwork, communication

It also helped in developing a sense of responsibility towards nature and sustainable living.

Outcome:

- Increased awareness among participants about environmental conservation.
- Improvement in green cover through plantation of saplings.
- Active involvement of students/community in eco-friendly activities.
- Better understanding of the role of trees in reducing pollution.
- Development of responsibility towards protecting and nurturing nature.

Out Reach Activity on AIDS Awareness Camp	
Organizing Body - NSS Cell of Netaji Subhas University, Jamshedpur	
Organizer's Head –Raju Bhagat (NSS Co-Ordinator, NSU)	
Date: 07/02/2019	**Time-** 11 AM onwards
Venue - Jarapal, Baharagora	
Beneficiary - General Public of Villages	
Volunteers – NSS Volunteers	

Objective:

- Educating the public: Provide clear information about HIV (Human Immunodeficiency Virus) and AIDS (acquired immunodeficiency syndrome), including how the virus spreads and how it can be prevented.
- Dispelling myths and stigma: Address misconceptions surrounding HIV/AIDS, reduce discrimination, and encourage empathy toward those living with the condition.
- Promoting safe practices: Highlight the importance of safe sex, regular testing, and preventive measures such as condom use.
- Encouraging early detection and treatment: Stress the significance of timely medical intervention to manage HIV and prevent progression to AIDS.
- Youth engagement: Involve students in awareness activities like marches and street plays to spread the message creatively and effectively.

Outcome:

The AIDS Awareness Camp was successfully conducted with active participation from students and villagers. The program helped increase awareness about HIV/AIDS, its modes of transmission, prevention methods, and the importance of early testing and treatment. Many misconceptions and myths related to HIV/AIDS were clarified through interactive sessions.

Villagers gained better understanding of preventive measures such as safe practices, use of sterile medical equipment, and the importance of regular health check-ups. The camp also emphasized the need to avoid discrimination and stigma against people living with HIV/AIDS and encouraged a supportive and compassionate attitude. Informational materials were distributed, which helped reinforce the messages shared during the awareness sessions. The interaction between students and villagers improved community engagement and trust. Participants actively asked questions, showing increased interest and awareness.

Date: 21/02/2019	**Time-** 10 AM onwards
Venue - Stocking Road, Northern Town. Bistupur ,Jamshedpur ,East Singhbhum , Jharkhand	
Beneficiary - General Public of Bistupur	
Volunteers – NSS Volunteers	
Objective: To encourage voluntary blood donation and create awareness about the importance of safe blood donation in saving lives, while ensuring an adequate and timely supply of blood for patients in need. The camp aims to promote a culture of social responsibility, humanitarian service, and healthy living among the community.	
Outcome: • The Blood Donation Camp organized at the Blood Bank was very successful and meaningful. The main outcome of the camp was the collection of a good number of blood units, which will help save the lives of patients during emergencies, surgeries, and medical treatments. • The active participation of donors showed kindness, responsibility, and concern for society. The camp helped create awareness about the importance of donating blood. Many people learned that blood donation is safe and does not harm the donor. • Several first-time donors participated with confidence and showed interest in donating blood again in the future. Doctors and medical staff ensured that the entire process was clean, safe, and well-managed, which made donors feel comfortable. • Another important outcome was the promotion of good health habits. Donors were guided about maintaining a healthy lifestyle, proper diet, and regular health check-ups. The camp also helped volunteers develop skills such as teamwork, communication

Objective:

The Tree Plantation Camp was organized to create awareness about the importance of trees and environmental protection. The main objective of the camp was to increase green cover and promote a clean and healthy environment. Participants were encouraged to actively take part in planting and nurturing saplings. The camp aimed to educate people about the role of trees in reducing pollution and maintaining ecological balance. It also helped in developing a sense of responsibility towards nature and sustainable living.

Outcome:

- Increased awareness among participants about environmental conservation.
- Improvement in green cover through plantation of saplings.
- Active involvement of students/community in eco-friendly activities.
- Better understanding of the role of trees in reducing pollution.
- Development of responsibility towards protecting and nurturing nature.

Objective:

- Educating the public: Provide clear information about HIV (Human Immunodeficiency Virus) and AIDS (acquired immunodeficiency syndrome), including how the virus spreads and how it can be prevented.
- Dispelling myths and stigma: Address misconceptions surrounding HIV/AIDS, reduce discrimination, and encourage empathy toward those living with the condition.
- Promoting safe practices: Highlight the importance of safe sex, regular testing, and preventive measures such as condom use.
- Encouraging early detection and treatment: Stress the significance of timely medical intervention to manage HIV and prevent progression to AIDS.
- Youth engagement: Involve students in awareness activities like marches and street plays to spread the message creatively and effectively.

Outcome:

- The AIDS Awareness Camp was successfully conducted with active participation from students and villagers. The program helped increase awareness about HIV/AIDS, its modes of transmission, prevention methods, and the importance of early testing and treatment. Many misconceptions and myths related to HIV/AIDS were clarified through interactive sessions.
- Villagers gained better understanding of preventive measures such as safe practices, use of sterile medical equipment, and the importance of regular health check-ups. The camp also emphasized the need to avoid discrimination and stigma against people living with HIV/AIDS and encouraged a supportive and compassionate attitude. Informational materials were distributed, which helped reinforce the messages shared during the awareness sessions. The interaction between students and villagers improved community engagement and trust. Participants actively asked questions, showing increased interest and awareness.

Objective:

To encourage voluntary blood donation and create awareness about the importance of safe blood donation in saving lives, while ensuring an adequate and timely supply of blood for patients in need. The camp aims to promote a culture of social responsibility, humanitarian service, and healthy living among the community.

Outcome:

- The Blood Donation Camp organized at the Blood Bank was very successful and meaningful. The main outcome of the camp was the collection of a good number of blood units, which will help save the lives of patients during emergencies, surgeries, and medical treatments.
- The active participation of donors showed kindness, responsibility, and concern for society. The camp helped create awareness about the importance of donating blood. Many people learned that blood donation is safe and does not harm the donor. Several first-time donors participated with confidence and showed interest in donating blood again in the future.
- Doctors and medical staff ensured that the entire process was clean, safe, and well-managed, which made donors feel comfortable. Another important outcome was the promotion of good health habits. Donors were guided about maintaining a healthy lifestyle, proper diet, and regular health check-ups. The camp also helped volunteers develop skills such as teamwork, communication

Venue - Baliguma, Jamshedpur, Jharkhand	
Beneficiary - General Public of Villages	

Objective:

The objective of the Health Check-up Camp is to promote preventive healthcare by providing basic medical screenings and early detection of common health issues. The camp aims to raise health awareness, encourage healthy lifestyle practices, and ensure timely medical advice and referrals for better overall well-being.

Outcome:

- The health check-up camp organized at Baliguma Village was a successful initiative aimed at improving the overall health awareness and well-being of the local community. The camp witnessed active participation from villagers of different age groups, including children, adults, and the elderly. Basic health services such as general physical examinations, blood pressure monitoring, blood sugar testing, BMI assessment, and consultation for common ailments were provided free of cost.
- One of the major outcomes of the camp was the early identification of health issues such as hypertension, diabetes, anemia, and nutritional deficiencies among several villagers. Timely guidance and counselling were given by healthcare professionals, enabling individuals to understand their health status and take preventive measures. Patients requiring further medical attention were referred to nearby healthcare centres for follow-up treatment.The camp also played a significant role in spreading awareness about personal hygiene, balanced diet, sanitation, and prevention of common diseases. Health education sessions helped villagers understand the importance of regular health check-ups and adopting healthy lifestyle practices. Special emphasis was placed on maternal and child health, vaccination awareness, and the risks associated with self-medication.
- Students and faculty members from the Pharmacy Department gained valuable hands-on experience and enhanced their sense of social responsibility by interacting directly with the community. Overall, the health check-up camp at Baliguma Village strengthened the bond between the university and the local population, contributed to community welfare, and emphasized the importance of accessible healthcare services in rural areas.

The camp aims to raise health awareness, encourage healthy lifestyle practices, and ensure timely medical advice and referrals for better overall well-being.

Outcome:

- Outcome: The health check-up camp organized at Bagbasa, Chakulia was a successful initiative aimed at improving the overall health awareness and well-being of the local community. The camp witnessed active participation from villagers of different age groups, including children, adults, and the elderly. Basic health services such as general physical examinations, blood pressure monitoring, blood sugar testing, BMI assessment, and consultation for common ailments were provided free of cost.
- One of the major outcomes of the camp was the early identification of health issues such as hypertension, diabetes, anemia, and nutritional deficiencies among several villagers. Timely guidance and counselling were given by healthcare professionals, enabling individuals to understand their health status and take preventive measures. Patients requiring further medical attention were referred to nearby healthcare centres for follow-up treatment.The camp also played a significant role in spreading awareness about personal hygiene, balanced diet, sanitation, and prevention of common diseases. Health education sessions helped villagers understand the importance of regular health check-ups and adopting healthy lifestyle practices. Special emphasis was placed on maternal and child health, vaccination awareness, and the risks associated with self-medication.
- Students and faculty members from the Pharmacy Department gained valuable hands-on experience and enhanced their sense of social responsibility by interacting directly with the community. Overall, the health check-up camp at Bagbasa, Chakulia strengthened the bond between the university and the local population, contributed to community welfare, and emphasized the importance of accessible healthcare services in rural areas.

SUMMARY REPORT

Out Reach Activity on Health Check-up Camp	
Organizing Body - Pharmacy Department , Netaji Subhas University, Jamshedpur	
Organizer's Head – Principal, Pharmacy Department , Netaji Subhas University, Jamshedpur	
Date: 28/06/2019	**Time-** 11 AM onwards
Venue – Karkata, Baharagora, Jharkhand	
Beneficiary - General Public of Villages	

Objective:

The objective of the Health Check-up Camp is to promote preventive healthcare by providing basic medical screenings and early detection of common health issues. The camp aims to raise health awareness, encourage healthy lifestyle practices, and ensure timely medical advice and referrals for better overall well-being.

Outcome:

- The health check-up camp organized at Karkata Village of Baharagora was a successful initiative aimed at improving the overall health awareness and well-being of the local community. The camp witnessed active participation from villagers of different age groups, including children, adults, and the elderly. Basic health services such as general physical examinations, blood pressure monitoring, blood sugar testing, BMI assessment, and consultation for common ailments were provided free of cost.
- One of the major outcomes of the camp was the early identification of health issues such as hypertension, diabetes, anemia, and nutritional deficiencies among several villagers. Timely guidance and counselling were given by healthcare professionals, enabling individuals to understand their health status and take preventive measures. Patients requiring further medical attention were referred to nearby healthcare centres for follow-up treatment. Special emphasis was placed on maternal and child health, vaccination awareness, and the risks associated with self-medication.
- Students and faculty members from the Pharmacy Department gained valuable hands-on experience and enhanced their sense of social responsibility by interacting directly with the community. Overall, the health check-up camp at Karkata Village of Baharagora strengthened the bond between the university and the local population, contributed to community welfare, and emphasized the importance of accessible healthcare services in rural areas.

SUMMARY REPORT

Out Reach Activity on Health Check-up Camp	
Organizing Body - Pharmacy Department , Netaji Subhas University, Jamshedpur	
Organizer's Head – Principal, Pharmacy Department , Netaji Subhas University, Jamshedpur	
Date: 10/07/2019	**Time-** 11 AM onwards
Venue - Bamani, Patamda, Jharkhand	
Beneficiary - General Public of Villages	

Objective:

The objective of the Health Check-up Camp is to promote preventive healthcare by providing basic medical screenings and early detection of common health issues. The camp aims to raise health awareness, encourage healthy lifestyle practices, and ensure timely medical advice and referrals for better overall well-being.

Outcome:

- The health check-up camp organized at Bamani, Village of Patamda was a successful initiative aimed at improving the overall health awareness and well-being of the local community. The camp witnessed active participation from villagers of different age groups, including children, adults, and the elderly. Basic health services such as general physical examinations, blood pressure monitoring, blood sugar testing, BMI assessment, and consultation for common ailments were provided free of cost.
- One of the major outcomes of the camp was the early identification of health issues such as hypertension, diabetes, anemia, and nutritional deficiencies among several villagers. Timely guidance and counselling were given by healthcare professionals, enabling individuals to understand their health status and take preventive measures. Patients requiring further medical attention were referred to nearby healthcare centres for follow-up treatment.The camp also played a significant role in spreading awareness about personal hygiene, balanced diet, sanitation, and prevention of common diseases. Health education sessions helped villagers understand the importance of regular health check-ups and adopting healthy lifestyle practices.
- Students and faculty members from the Pharmacy Department gained valuable hands-on experience and enhanced their sense of social responsibility by interacting directly with the community. Overall, the health check-up camp at Bamani, Village of Patamda strengthened the bond between the university and the local population, contributed to community welfare, and emphasized the importance of accessible healthcare services in rural areas.

SUMMARY REPORT

Outreach Programme on Blood Donation Camp	
Organizing Body - NSS Cell of Netaji Subhas University, Jamshedpur	
Organizer's Head –Raju Bhagat (NSS Co-Ordinator, NSU)	
Date: 14/08/2019	**Time-** 10 AM onwards
Venue - Stocking Road, Northern Town. Bistupur ,Jamshedpur ,East Singhbhum , Jharkhand	
Beneficiary - General Public of Bistupur	
Volunteers – NSS Volunteers	
Objective: To encourage voluntary blood donation and create awareness about the importance of safe blood donation in saving lives, while ensuring an adequate and timely supply of blood for patients in need. The camp aims to promote a culture of social responsibility, humanitarian service, and healthy living among the community.	
Outcome: • The Blood Donation Camp organized at the Blood Bank was very successful and meaningful. The main outcome of the camp was the collection of a good number of blood units, which will help save the lives of patients during emergencies, surgeries, and medical treatments. • The active participation of donors showed kindness, responsibility, and concern for society. The camp helped create awareness about the importance of donating blood. • Many people learned that blood donation is safe and does not harm the donor. Several first-time donors participated with confidence and showed interest in donating blood again in the future. Doctors and medical staff ensured that the entire process was clean, safe, and well-managed, which made donors feel comfortable. • Another important outcome was the promotion of good health habits. Donors were guided about maintaining a healthy lifestyle, proper diet, and regular health check-ups. The camp also helped volunteers develop skills such as teamwork, communication

SUMMARY REPORT

Outreach Programme of Cleanness programme Sakchi, Jamshedpur	
Organizing Body - NSS UNIT of, Netaji Subhas University, Jamshedpur	
Organizer's Head: Raju Bhagat, Coordinator ,NSS Netaji Subhas University, Jamshedpur	
Date: 2/10/2019	**Time-** 11 AM onwards
Venue - Sakchi, Jamshedpur	
Beneficiary - General Public of Sakchi, Jamshedpur	

Objective:

The objective of the cleanliness programme in Sakchi, Jamshedpur is to promote a healthy, and clean environment for the local public. It aims to reduce the spread of diseases by encouraging proper waste disposal and sanitation practices. The programme seeks to raise awareness among residents about the importance of cleanliness in public and residential areas. Additional objective is to comprise community members, volunteers, and local authorities in maintaining cleanliness collectively. Finally, the initiative strives to improve the overall quality of life and environmental sustainability of Sakchi.

Outcome:

- On 2nd October, the NSS Unit organized a Cleanliness Programme to mark the birth anniversary of Mahatma Gandhi and to promote the message of Swachh Bharat. The programme aimed to create awareness about cleanliness, hygiene, and environmental responsibility among students and the community.
- NSS volunteers actively participated in cleaning the campus and nearby public areas. The activities included sweeping roads, collecting plastic waste, and spreading awareness about maintaining a clean and healthy environment. Volunteers also educated local people about proper waste disposal and the importance of cleanliness in daily life.
- The programme was conducted with great enthusiasm and dedication. It helped instil a sense of discipline, teamwork, and social responsibility among the volunteers. The cleanliness drive successfully conveyed Gandhi's message that cleanliness is next to godliness. The programme concluded with a brief address by the NSS coordinator, appreciating the efforts of all volunteers and encouraging them to continue such activities in the future.

SUMMARY REPORT

Outreach Programme of Diabetes Awareness Day	
Organizing Body - Netaji Subhas University, Jamshedpur	
Organizer's Head – Principal of Nursing Department, Netaji Subhas University, Jamshedpur	
Date: 14/11/2019	**Time-** 11:00 AM – 2:30 PM
Venue - Pokhari Village, Jamshedpur	

Objective:

World Diabetes Day is observed annually to raise awareness about diabetes, its prevention, and management. It educates people about the causes, symptoms, and complications of diabetes through campaigns, workshops, and health check-ups. The day emphasizes the importance of healthy lifestyles, balanced diets, and regular exercise to control blood sugar levels. It also encourages early detection and proper treatment to reduce the risk of serious health issues. The main objectives are to increase public awareness, promote prevention, support patients, encourage healthy habits, and improve overall community health.

Outcome:

Outcome: Basic health check-ups, including blood sugar screening, were carried out for the villagers. The students guided individuals found with high blood sugar levels to seek further medical consultation. The villagers showed keen interest and actively interacted with the students by asking questions related to diabetes management and lifestyle changes. The program concluded with a pledge taken by the villagers to adopt healthier habits in their daily lives. The celebration of World Diabetes Day at Pokhari Village was a meaningful and educational experience. It helped enhance community awareness and provided valuable practical exposure to nursing students in community health education.

Date: 22/11/2019	**Time-** 11 AM onwards
Venue - Sakchi, Jamshedpur	
Beneficiary - General Public of Sakchi, Jamshedpur	

Objective:

The objective of this cloth distribution program is to provide clean, usable, and season-appropriate clothing to poor and vulnerable people in Sakchi, Jamshedpur. It aims to support individuals and families who lack adequate clothing due to financial hardship. The initiative seeks to promote dignity, comfort, and protection from weather-related health risks. Another objective is to encourage community participation and social responsibility toward helping the underprivileged. Ultimately, the program strives to improve the quality of life and well-being of economically weaker sections in the area.

Outcome:

1. Students developed empathy, compassion, and respect towards the elderly.
2. Volunteers gained real-life exposure to the challenges faced by senior citizens.
3. The visit strengthened a sense of social responsibility and community **service** among students.
4. Meaningful interaction helped reduce loneliness and isolation of the elderly residents.
5. Students learned the importance of care, patience, and emotional support for older people.
6. The activity promoted moral values and human sensitivity among NSS volunteers.

The visit encouraged students to actively participate in future social service activities

SUMMARY REPORT

Outreach Programme of Chocolate Distribution for poor and underprivileged people	
Organizing Body - **NSS,NSU**, Netaji Subhas University, Jamshedpur	
Organizer's Head – Raju Bhagat Coordinator, NSS	
Date: 24/12/2019	**Time-** 11 AM onwards
Venue - Sakchi, Jamshedpur	
Beneficiary - General Public of Sakchi, Jamshedpur	

Objective:

The objective of chocolate distribution for poor and underprivileged people is to spread happiness and joy among individuals who have limited access to such treats. It aims to provide a sense of care, inclusion, and emotional support, especially to children. The initiative seeks to promote kindness and social responsibility within the community. It also helps raise awareness about the needs of underprivileged populations. Ultimately, the objective is to create moments of positivity and encourage compassion through small acts of giving.

Outcome:

- Brought happiness and smiles to underprivileged children and families.
- Helped students develop kindness, empathy, and compassion towards the poor.
- Created awareness about the needs and struggles of economically weaker sections.
- Strengthened the spirit of social service and volunteerism among NSS volunteers.
- Promoted values of sharing, generosity, and humanity.

Objective

The program aims to create awareness about various cyber threats such as cyber fraud, hacking, phishing, identity theft, and online scams while educating participants on the safe and responsible use of the internet, social media, and digital platforms. It promotes digital literacy by highlighting the importance of privacy settings, strong passwords, and secure online practices, and encourages safe online behavior, especially among youth, women, and senior citizens. The initiative also addresses issues of cyberbullying and online harassment, provides guidance on protecting personal and financial information during digital transactions, and informs participants about government cyber safety initiatives, helplines, and reporting portals.

Outcomes

- Increased awareness among participants about various cyber threats such as online fraud, phishing, hacking, and identity theft.
- Improved knowledge of safe internet practices, including strong password creation, privacy settings, and secure browsing.
- Enhanced digital responsibility, leading to safer use of social media and online platforms.
- Better understanding of cyber laws and the legal consequences of cyber-crimes.
- Greater confidence among students and citizens in using digital services and online transactions securely.
- Reduction in risky online behaviour such as sharing personal, financial, or sensitive information.
- Improved ability to identify and report cyber-crimes through proper channels and helplines.
- Increased awareness of cyber bullying and online harassment, along with knowledge of preventive and reporting measures.
- Strengthened digital literacy, especially among first-time and rural internet users.

Objective

The program aims to create awareness about various cyber threats such as cyber fraud, hacking, phishing, identity theft, and online scams while educating participants on the safe and responsible use of the internet, social media, and digital platforms. It promotes digital literacy by highlighting the importance of privacy settings, strong passwords, and secure online practices, and encourages safe online behavior, especially among youth, women, and senior citizens. The initiative also addresses issues of cyberbullying and online harassment, provides guidance on protecting personal and financial information during digital transactions, and informs participants about government cyber safety initiatives, helplines, and reporting portals.

Outcomes

- Increased awareness among participants about various cyber threats such as online fraud, phishing, hacking, and identity theft.
- Improved knowledge of safe internet practices, including strong password creation, privacy settings, and secure browsing.
- Enhanced digital responsibility, leading to safer use of social media and online platforms.
- Better understanding of cyber laws and the legal consequences of cyber-crimes.
- Greater confidence among students and citizens in using digital services and online transactions securely.
- Reduction in risky online behaviour such as sharing personal, financial, or sensitive information.
- Improved ability to identify and report cyber-crimes through proper channels and helplines.
- Increased awareness of cyber bullying and online harassment, along with knowledge of preventive and reporting measures.
- Strengthened digital literacy, especially among first-time and rural internet users.

Objective

The program aims to create awareness about various cyber threats such as cyber fraud, hacking, phishing, identity theft, and online scams while educating participants on the safe and responsible use of the internet, social media, and digital platforms. It promotes digital literacy by highlighting the importance of privacy settings, strong passwords, and secure online practices, and encourages safe online behavior, especially among youth, women, and senior citizens. The initiative also addresses issues of cyberbullying and online harassment, provides guidance on protecting personal and financial information during digital transactions, and informs participants about government cyber safety initiatives, helplines, and reporting portals.

Outcomes

- Increased awareness among participants about various cyber threats such as online fraud, phishing, hacking, and identity theft.
- Improved knowledge of safe internet practices, including strong password creation, privacy settings, and secure browsing.
- Enhanced digital responsibility, leading to safer use of social media and online platforms.
- Better understanding of cyber laws and the legal consequences of cyber-crimes.
- Greater confidence among students and citizens in using digital services and online transactions securely.
- Reduction in risky online behaviour such as sharing personal, financial, or sensitive information.
- Improved ability to identify and report cyber-crimes through proper channels and helplines.
- Increased awareness of cyber bullying and online harassment, along with knowledge of preventive and reporting measures.
- Strengthened digital literacy, especially among first-time and rural internet users.

Objective

The objective of this initiative is to sensitize participants to critical issues related to women's safety and empowerment by fostering awareness, understanding, and responsible attitudes. It aims to highlight the social, cultural, and legal dimensions of women's safety, encourage respect for gender equality, and promote proactive behaviors that prevent harassment and violence. Through discussion and reflection, participants are guided to recognize the challenges women face in everyday life and to understand their role in creating safe, inclusive, and empowering environments where women can exercise their rights, voice their opinions, and achieve their full potential.

Outcomes

- Enhanced Awareness: Participants gained awareness about women's safety issues, personal security, and preventive measures both on and off campus.
- Knowledge of Legal Rights: Students became familiar with women-centric laws, helpline numbers, and grievance redressal mechanisms such as the Internal Complaints Committee (ICC).
- Improved Confidence: The programme helped in building self-confidence among women to respond effectively to unsafe situations.
- Skill Development: Participants learned basic self-defence techniques and practical safety strategies.
- Safe Campus Culture: The programme encouraged collective responsibility towards maintaining a safe, respectful, and inclusive campus environment.
- Encouraged Reporting: Women felt more confident to report incidents without fear, knowing the proper channels and support systems available.
- Positive Attitude Change: The programme promoted gender sensitivity and respectful behaviour among students and staff.

Objective

The program aims to create awareness about mental health issues by educating students and the community on the importance of emotional well-being, reducing stigma, and fostering open conversations around mental health. It encourages the adoption of healthy coping strategies such as stress management, positive lifestyle habits, and seeking timely support when needed. By promoting understanding, empathy, and resilience, the initiative helps individuals recognize mental health challenges early and empowers them to build a supportive environment that prioritizes mental wellness and overall quality of life.

Outcomes

- Participants developed a better understanding of mental health, emotional well-being, and common psychological issues.
- The programme helped in reducing stigma and misconceptions related to mental health among students and community members.
- Students learned stress management techniques such as relaxation, mindfulness, and positive coping strategies.
- Awareness was created about the importance of seeking help and early intervention for mental health concerns.
- Participants became familiar with available counseling services, helplines, and institutional support systems.
- The programme promoted emotional resilience, self-care, and healthy lifestyle practices.
- Improved peer support and empathetic attitudes were observed among participants.
- The programme encouraged open discussions on mental health, leading to a supportive and inclusive environment.

Objective

The objective of this initiative is to sensitize participants to critical issues related to women's safety and empowerment by fostering awareness, understanding, and responsible attitudes. It aims to highlight the social, cultural, and legal dimensions of women's safety, encourage respect for gender equality, and promote proactive behaviors that prevent harassment and violence. Through discussion and reflection, participants are guided to recognize the challenges women face in everyday life and to understand their role in creating safe, inclusive, and empowering environments where women can exercise their rights, voice their opinions, and achieve their full potential.

Outcomes

- Enhanced Awareness: Participants gained awareness about women's safety issues, personal security, and preventive measures both on and off campus.
- Knowledge of Legal Rights: Students became familiar with women-centric laws, helpline numbers, and grievance redressal mechanisms such as the Internal Complaints Committee (ICC).
- Improved Confidence: The programme helped in building self-confidence among women to respond effectively to unsafe situations.
- Skill Development: Participants learned basic self-defence techniques and practical safety strategies.
- Safe Campus Culture: The programme encouraged collective responsibility towards maintaining a safe, respectful, and inclusive campus environment.
- Encouraged Reporting: Women felt more confident to report incidents without fear, knowing the proper channels and support systems available.
- Positive Attitude Change: The programme promoted gender sensitivity and respectful behaviour among students and staff.

Objective

The objective of this initiative is to sensitize participants to critical issues related to women's safety and empowerment by fostering awareness, understanding, and responsible attitudes. It aims to highlight the social, cultural, and legal dimensions of women's safety, encourage respect for gender equality, and promote proactive behaviors that prevent harassment and violence. Through discussion and reflection, participants are guided to recognize the challenges women face in everyday life and to understand their role in creating safe, inclusive, and empowering environments where women can exercise their rights, voice their opinions, and achieve their full potential.

Outcomes

- Enhanced Awareness: Participants gained awareness about women's safety issues, personal security, and preventive measures both on and off campus.
- Knowledge of Legal Rights: Students became familiar with women-centric laws, helpline numbers, and grievance redressal mechanisms such as the Internal Complaints Committee (ICC).
- Improved Confidence: The programme helped in building self-confidence among women to respond effectively to unsafe situations.
- Skill Development: Participants learned basic self-defence techniques and practical safety strategies.
- Safe Campus Culture: The programme encouraged collective responsibility towards maintaining a safe, respectful, and inclusive campus environment.
- Encouraged Reporting: Women felt more confident to report incidents without fear, knowing the proper channels and support systems available.
- Positive Attitude Change: The programme promoted gender sensitivity and respectful behaviour among students and staff.

Summary Report

Outreach Programme on Women Safety Awareness Programme	
Organizing Body - Netaji Subhas University, Jamshedpur	
Organizer's Head –Raju Bhagat (NSS Coordinator, NSU)	
Date : 20/05/2022	**Time** 09:00 AM – 11:00 AM
Venue - Dimna, Jamshedpur, Jharkhand	**Mode** – (Online/Offline): Offline
Beneficiary - General Public of Villages	
Volunteers – NSS Volunteers	

Objective

The objective of this initiative is to sensitize participants to critical issues related to women's safety and empowerment by fostering awareness, understanding, and responsible attitudes. It aims to highlight the social, cultural, and legal dimensions of women's safety, encourage respect for gender equality, and promote proactive behaviors that prevent harassment and violence. Through discussion and reflection, participants are guided to recognize the challenges women face in everyday life and to understand their role in creating safe, inclusive, and empowering environments where women can exercise their rights, voice their opinions, and achieve their full potential.

Outcomes

- Enhanced Awareness: Participants gained awareness about women's safety issues, personal security, and preventive measures both on and off campus.
- Knowledge of Legal Rights: Students became familiar with women-centric laws, helpline numbers, and grievance redressal mechanisms such as the Internal Complaints Committee (ICC).
- Improved Confidence: The programme helped in building self-confidence among women to respond effectively to unsafe situations.
- Skill Development: Participants learned basic self-defence techniques and practical safety strategies.
- Safe Campus Culture: The programme encouraged collective responsibility towards maintaining a safe, respectful, and inclusive campus environment.
- Encouraged Reporting: Women felt more confident to report incidents without fear, knowing the proper channels and support systems available.
- Positive Attitude Change: The programme promoted gender sensitivity and respectful behaviour among students and staff.

Objective

The program aims to create awareness about mental health issues by educating students and the community on the importance of emotional well-being, reducing stigma, and fostering open conversations around mental health. It encourages the adoption of healthy coping strategies such as stress management, positive lifestyle habits, and seeking timely support when needed. By promoting understanding, empathy, and resilience, the initiative helps individuals recognize mental health challenges early and empowers them to build a supportive environment that prioritizes mental wellness and overall quality of life.

Outcomes

- Participants developed a better understanding of mental health, emotional well-being, and common psychological issues.
- The programme helped in reducing stigma and misconceptions related to mental health among students and community members.
- Students learned stress management techniques such as relaxation, mindfulness, and positive coping strategies.
- Awareness was created about the importance of seeking help and early intervention for mental health concerns.
- Participants became familiar with available counseling services, helplines, and institutional support systems.
- The programme promoted emotional resilience, self-care, and healthy lifestyle practices.
- Improved peer support and empathetic attitudes were observed among participants.
- The programme encouraged open discussions on mental health, leading to a supportive and inclusive environment.

SUMMARY REPORT

Outreach Programme of Psychiatry Home Ranchi	
Organizing Body - Netaji Subhas University, Jamshedpur	
Organizer's Head – Principal of Nursing Department, Netaji Subhas University, Jamshedpur	
Date: 9/01/2023	**Time-** 10 AM onwards
Venue - RINPAS, Ranchi	

Objective:

The Personal Care and Sanitizer Distribution outreach programme focuses on promoting hygiene and health awareness in the community. It provides essential personal care products and hand sanitizers to help prevent the spread of infections and diseases. The programme includes demonstrations on proper handwashing, sanitation, and personal hygiene practices. It targets schools, public places, and underprivileged communities to reach a wider audience. The main objectives are to improve health and hygiene, prevent illnesses, raise awareness about sanitation, and support overall community well-being.

Outcome:

- The NSU Nursing Department successfully organized a programme on Personal Care of Psychiatric Patients at RINPAS (Ranchi Institute of Neuro-Psychiatry and Allied Sciences), Ranchi and sanitizer distribution with the objective of enhancing practical knowledge and clinical skills of nursing students in mental health care.
- The programme focused on various aspects of personal hygiene, grooming, nutrition, mobility, medication support, and emotional care of psychiatric patients. Students were guided on how to provide compassionate, respectful, and safe care while maintaining patients' dignity and confidentiality.
- Under the supervision of faculty members and mental health professionals at RINPAS, students actively participated in observing and assisting with patient care activities. The programme helped students understand the importance of therapeutic communication, patience, and empathy while caring for individuals with mental health conditions.
- The visit and training session proved to be highly educational and beneficial. It enhanced students' understanding of psychiatric nursing practices and prepared them for real-life mental health care settings.

Objective

The program aims to educate farmers about modern and sustainable agricultural practices that enhance productivity while preserving natural resources. It promotes organic farming and effective soil health management to improve crop quality and long-term farm sustainability. The initiative also creates awareness about various government agricultural schemes and support programs, enabling farmers to access available benefits. By encouraging eco-friendly and cost-effective farming methods, the program helps farmers increase income while protecting the environment.

Outcomes

- Improved awareness about sustainable farming practices
- Enhanced knowledge of eco-friendly pest control methods
- Increased interest in organic and natural farming
- Better understanding of government support schemes
- Strengthened university–community linkage

Summary Report

Outreach Programme on Sustainable Agriculture Practices	
Organizing Body - Netaji Subhas University, Jamshedpur	
Organizer's Head –Raju Bhagat (NSS Coordinator, NSU)	
Date : 03/02/2023	**Time**- 11:00 AM – 02:00 PM
Venue - Dhatkidih, Jamshedpur, Jharkhand	**Mode** – (Online/Offline): Offline
Beneficiary - General Public of Villages	
Volunteers – NSS Volunteers	

Objective

The program aims to educate farmers about modern and sustainable agricultural practices that enhance productivity while preserving natural resources. It promotes organic farming and effective soil health management to improve crop quality and long-term farm sustainability. The initiative also creates awareness about various government agricultural schemes and support programs, enabling farmers to access available benefits. By encouraging eco-friendly and cost-effective farming methods, the program helps farmers increase income while protecting the environment.

Outcomes

- Improved awareness about sustainable farming practices
- Enhanced knowledge of eco-friendly pest control methods
- Increased interest in organic and natural farming
- Better understanding of government support schemes
- Strengthened university–community linkage

Summary Report

Outreach Programme on Sustainable Agriculture Practices	
Organizing Body - Netaji Subhas University, Jamshedpur	
Organizer's Head –Raju Bhagat (NSS Coordinator, NSU)	
Date : 06/03/2023	**Time-** 11:00 AM – 02:00 PM
Venue - Mohanpur, Jamshedpur, Jharkhand	**Mode** – (Online/Offline): Offline
Beneficiary - General Public of Villages	
Volunteers – NSS Volunteers	

Objective

The program aims to educate farmers about modern and sustainable agricultural practices that enhance productivity while preserving natural resources. It promotes organic farming and effective soil health management to improve crop quality and long-term farm sustainability. The initiative also creates awareness about various government agricultural schemes and support programs, enabling farmers to access available benefits. By encouraging eco-friendly and cost-effective farming methods, the program helps farmers increase income while protecting the environment.

Outcomes

- Improved awareness about sustainable farming practices
- Enhanced knowledge of eco-friendly pest control methods
- Increased interest in organic and natural farming
- Better understanding of government support schemes
- Strengthened university–community linkage

Objective

The program aims to create awareness about the importance of trees in maintaining ecological balance and their role in supporting life on Earth. It promotes environmental sustainability and biodiversity conservation while encouraging students to actively participate in environmental protection activities. By enhancing green cover on the campus and in surrounding community areas, the initiative fosters a healthier environment and instills a strong sense of social and environmental responsibility among students. The program also aligns with and supports national and global initiatives focused on environmental conservation and climate action.

Outcomes

- Improved environmental awareness and eco-friendly attitude among students and staff.
- Increased green cover through plantation of saplings on campus and nearby areas.
- Active student participation leading to experiential and value-based learning.
- Strengthened institution–community interaction through collective environmental action.
- Contribution towards climate change mitigation and air quality improvement.
- Development of teamwork, leadership, and civic responsibility among participants.

SUMMARY REPORT

Outreach Programme of Indian Institute of Forest Productivity (IIFP), Lalgutia, Ranchi.	
Organizing Body - Department of Biotechnology, Netaji Subhas University, Jamshedpur	
Organizer's Head – Head, Department of Biotechnology, Netaji Subhas University, Jamshedpur	
Date: 16/05/2023	**Time-** 11 AM onwards
Venue - Indian Institute of Forest Productivity (IIFP), Lalgutia, Ranchi.	
Beneficiary - General Public of Lalgutia, Ranchi	
Objective: The outreach programme of the Indian Institute of Forest Productivity (IIFP), Lalgutia, Ranchi focuses on sustainable forest management and environmental conservation. It engages with local communities, farmers, and stakeholders to promote afforestation, biodiversity protection, and eco-friendly practices. The programme also provides training and awareness on forest-based livelihoods and resource management. Educational initiatives and workshops help spread knowledge about the importance of forests and their role in climate regulation. The main objectives are to conserve forests, enhance community participation, promote sustainable livelihoods, raise environmental awareness, and ensure long-term ecological balance.	
Outcome: • Students gained practical knowledge about biodiversity, ecosystem balance, and species conservation. • Participants developed an understanding of forest management and sustainable environmental practices. • The programme enhanced students' awareness of threats to biodiversity and the importance of conservation. • Students learned about field research techniques, data collection, and observation skills in natural habitats. • The activity promoted environmental responsibility and teamwork among students. • Exposure to real-world conservation efforts strengthened students' interest in ecological and biotechnological research. • The programme helped bridge the gap between classroom learning and practical field experience
